

Coach Registration Information

We couldn't do this without you!

Thank you for volunteering to coach PYSL. Because of volunteers like you we are able to offer one of the most robust and accessible community soccer programs in the Bay Area.

All PYSL coaches and assistant coaches must be registered and approved by CalNorth prior to the season beginning. Below is information and links on how to register as a PYSL Coach. All costs are covered by PYSL.

Step 1. Register as a PYSL Coach

Follow this link to register as a PYSL coach in GotSport. You will have to create a free GotSport account.

Step 2. Get Cleared as a Coach

Access your GotSport profile and review your requirements (see below example) Click on "Details" for any of the items that show as incomplete.

#1 Live Scan:

Live Scan fingerprinting needs to only be done ONCE for PYSL. (Note-other leagues or employment livescans are not transferable) If you have never been Live Scan fingerprinted by PYSL- or your dashboard shows you need to complete this, here are your options:

Option 1: Attend the In Person Live Scan event Tuesday, July 22nd at the developmental coach meeting. Bring your completed livescan form ([PDF Link here](#))

Option 2: Complete your own Live Scan at an Ameriprints location on your own time. Bring the completed livescan form ([PDF link here](#)) and either make an appointment or drop in. [See location info here](#).

#2 Safe Sport:

Click on the “Details” button on your dashboard to access the online courses needed. You will have to create a SafeSport login. **Ensure that you complete ONLY the specific training listed in GotSport.**

#3 Intro to Safety:

Click on the “Details” button on your dashboard. Then select “submit new report”. Fill out the form and follow the links to access the training. You will have to create a USYS account to complete this. You will have to then upload a screenshot of your completion to Gotsport.

#4 Background Check:

Needs to be completed annually and is separate from the Livescan. Use Code: Coach2025 to avoid paying the fee.
